[WESTLAKE.xlsx](#)

Hi Judy,

Will you create a list of documents that are dated Feb. 27, 2008 to the present. They are part of the big list in the attached excel spreadsheet. Exclude those that are marked "NOT RELEASABLE" and any authored by either Paul Rosasco or Michael Hockley. I know our computers may be quirky on Tuesday, but Wed. or Thurs. will be fine.

Thanks,
Audrey
